

Crossover Survey

1. Are you actively involved in a local church in our community?
2. With all of the pressures society has placed upon individuals and families which pressures do you think are the greatest?
3. How do you think the church can help the family deal with those kinds of pressures?
4. Our church has an on-going prayer ministry. Is there anything that you would like for us to add to our prayer list for you?
5. Across America surveys are indicating that people are increasingly becoming more interested in spiritual things. Is this true for you as well?
6. In your opinion, do you think that people can know for sure that they are going to heaven?
7. Thank you for your answers to this survey. May I share with you how the Bible answers that last question?
